Cal Poly Rose Float Reveals 2023 Design

Cal Poly students have shifted their sights from the heavens to a forest world of gigantic snails, mushrooms and colorful fungi for their 74th entry in the upcoming Pasadena Rose Parade.® The 2023 Tournament of Roses theme is “Turning the Corner,” which symbolizes the positive change and unlimited potential that each new year can bring. The Cal Poly float, “Road to Reclamation,” will demonstrate that through these vibrant revitalizers, a new start can come from unlikely places — by transforming a dead tree branch into a catalyst for new life. For students, it also represents their efforts to fully reclaim the Learn by Doing education that is the hallmark of Cal Poly, as well as the seven-decade partnership with Cal Poly Pomona. The 23-foot-tall float features an enormous purple snail scanning paradegoers from its perch atop a 16-foot red-capped mushroom at the end of the float. Another mega-snail watches baby snails playing chase, while a third snail, its 6-foot-tall, coiled shell in shades of brown and gold, scouts the route at the front of the float. Gina Ann Garcia to Deliver Keynote Address for Hispanic Heritage Month

The Office of University Diversity and Inclusion will welcome Gina Ann Garcia, associate professor in the department of Educational Foundations, Organizations, and Policy at the University of Pittsburgh, to Cal Poly to provide a keynote address from 11 a.m.-12:30 p.m. Thursday, Sept. 29, in Chumash Auditorium. Garcia is an author, professor and leading scholar on Hispanic Serving Institutions (HSIs). Her keynote address will challenge students, staff, faculty and administrators to think about what the individualized path of becoming an HSI could look like for Cal Poly and will explore the role HSI status plays in ensuring a more just and equitable future for Latinx students on campus. Learn more at <https://diversity.calpoly.edu/dr-gina-garcia>.

Campus Partnership Helps Extend Mustang Shuttle Hours with Daytime Service

Campus community members will have an easier time getting around campus this fall, thanks to a new partnership. ASI, the University Union Advisory Board, University Housing and the Cal Poly Corporation have partnered with Public Safety to extend the Mustang Shuttle Service with new daytime hours. Mustang Shuttle is now running from 7 a.m. to 6 p.m. and in the evening from 7 p.m. to 12:30 a.m. The daytime shuttle will run on weekdays; the evening shuttle will run seven days a week, not including academic holidays or breaks. Catching a ride on the shuttle will be even easier this fall, following the release of a Mustang Shuttle app that will allow users to track the location and times of the shuttles. Mustang Shuttle will have six campus stops throughout the day and nine in the evening. Learn more at <https://afd.calpoly.edu/parking/safetyprograms>.

Employment

Employment Opportunities, continued

#517660 — Program Coordinator — Extended Education (Extended Ed Specialist I) — Academic Affairs — Extended Education. \$53,916-\$76,740 per year. Anticipated hiring range: \$53,916-\$60,000 per year. Open until filled.

#518492 — Associate/Senior Associate Athletics Director (Administrator II) — Student Affairs — Intercollegiate Athletics. Salary commensurate with the background and experience of the individual selected. Open until filled.

New Outdoor Community Spaces Created to Enhance Campus Experience

Two new outdoor community spaces and Cal Poly's first commissioned outdoor mural have been recently completed. The two outdoor spaces, one in front of the Performing Arts Center (PAC) and the other outside of Campus Market, as well as the mural, were commissioned and created by the Cal Poly Corporation. The space outside the PAC has shaded tables and chairs and lighting for dining alfresco with two food trucks. In addition, two local pop-up restaurants will be serving nearby. Cal Poly donated funds to beautify the perimeter spaces, transforming the entire space in front of the PAC. Outside Campus Market features parklet-style landscaping, umbrellas, and Santa Maria style barbecue and food truck areas. It is also home to a three-panel public mural created by Grover Beach artist Oscar Pearson. These projects are part of the Corporation's ongoing outdoor campus enhancements. In addition to donating funds, Cal Poly and ASI are assisting with the maintenance and upkeep.

Open Enrollment Runs Sept. 19 Through Oct. 14

The Benefits Open Enrollment period is employees' annual opportunity to review, enroll, cancel or make changes to their health, dental, vision, flexcash, dependent care reimbursement account, health care reimbursement account or voluntary benefits plans to be effective January 2023. Open enrollment details are available on the Open Enrollment webpage, including information on how to make changes: <https://afd.calpoly.edu/hr/benefits/open-enrollment>. The Benefits Events page at <https://afd.calpoly.edu/hr/benefits/events> also highlights information sessions from select providers. Attend the Virtual Benefits Fair where various health plan and voluntary plan providers will share information about rates, changes and key features. You can also ask questions as you make decisions regarding your coverage. Visit the Open Enrollment page to register to attend the Virtual Benefits Fair from 10 a.m.-1 p.m. Wednesday, Oct 5.

COVID-19 Vaccines and Boosters Available Sept. 23

Rite Aid returns to campus Friday, Sept. 23, to administer COVID-19 vaccines and boosters in the Cal Poly Recreation Center, Room 109, from 10 a.m. to 5 p.m. Rite Aid will have Pfizer and Moderna vaccines and the updated booster (bivalent) shots, as well as the flu vaccine. Individuals can get a booster five months after completing their primary Pfizer or Moderna vaccination series, or two months after receiving the Johnson and Johnson COVID-19 vaccine. Visit <https://coronavirus.calpoly.edu/covid-19-vaccine> for more information.

Chumash Auditorium Is Open to the Campus

Chumash Auditorium is open to our campus community. As a host to hundreds of campus entities and some of the university's largest events, Chumash Auditorium is now accepting reservations for performances, banquets, presentations, job fairs and more. For more information or support regarding 2022-23 academic year reservations and event planning, reach out to your scheduling entity or visit <https://www.asi.calpoly.edu/facilities/facility-reservations>.

Reminder: Don't Enter Animal Units Without Permission

The College of Agriculture, Food and Environmental Sciences is sharing a friendly reminder that visitors, including students, faculty and staff, are not allowed inside animal units — including fenced enclosures — without express permission. Faculty, staff and students are actively engaged in classes, labs and research, as well as in the ongoing care of the college's livestock, and it is essential for the health and safety of all that outside exposure is limited. No trespassing signs are posted at all campus animal units making it clear where viewing can occur in a safe manner. Anyone who would like to request a tour of a livestock operation can contact animalscience@calpoly.edu.
